

REPOSE BALANCE MILK CLEANSER

Rest for your skin,
Hypoallergenic moisturizing cleansing milk

Cleansing & Protecting Skin Barrier

Our skin becomes thinner and more sensitive if skin barrier is damaged. Also, the skin gets troubles easily and they are not even likely to be removed. Healthy skin barrier is the basic for the skin care. No matter how many products you use, there is no point if skin barrier is weak. THESERA Repose Balance Milk Cleanser removes makeup, sebum, and impurities without irritation. Begin your healthy skin care routine with THESERA Repose Balance Milk Cleanser.

Refreshing cleanser protecting skin barrier

3 STEP
removing, balancing, and nourishing

STEP1 Hypoallergenic

Natural oil such as Macadamia seed, grape seed, sunflower seed oil removes makeup, sebum, and impurities without irritation.

STEP2 Balancing skin barrier

Antioxidants like Rosa Cania flower extract and Nelumbo Nucifera Callus culture extract protect and strengthen skin barrier.

STEP3 Nourishing & moisturizing

Shea butter, ice plant and caviar extract make skin moisturized after cleansing.

Cleanser for all skin types

TYPE1 Sensitive skin

Hypoallergenic cleanser with mild emulsion type is suited for sensitive skin.

TYPE2 Dry skin

Skin feels moisturized even after cleansing, as it balances pH level and moisturizes skin.

TYPE3 Oily skin

Skin is remained refreshed without oily or greasy feeling.
